- Clay Arsenault

00:13 - 00:20

Before we mute the microphone, is there any of the public that would like to identify themselves before we put you on mute?

- Clay Arsenault

00:20 - 00:24

- Clay Arsenault

00:34 - 00:35

You did, OK.

- Clay Arsenault

00:35 - 00:41

As everybody knows, We're living in some pretty extraordinary times.

- Clay Arsenault

00:41 - 00:49

Because of the severe concerns of our national, state, and local governments for public health and safety regarding The Cove At 19.

- Clay Arsenault

00:49 - 00:52

I won't explain that point.

- Clay Arsenault

00:52 - 01:04

Everybody else knows what's going on with that, except to say that in the entrance interest of the health safety all our community and town officials employees are conducting this meeting as a virtual meeting using the goto platform.

- Clay Arsenault

01:05 - 01:07

I will say more to that in a moment first.

- Clay Arsenault

01:08 - 01:09

I would say first, I think Bruce.

- Clay Arsenault

01:10 - 01:13

First, I think we're not gathered within proximity to our flag.

- Clay Arsenault

01:13 - 01:16

So we will sadly have to dispense with the pledge of allegiance.

- Clay Arsenault

01:17 - 01:22

And with that Dixie, Lee, would you please do a roll call or you off mute.

- Donna Pohl

01:23 - 01:23

Can.

- Alexandra Roalsvig

01:23 - 01:24

01:47 - 01:48

Here.

- Clay Arsenault

01:49 - 01:50

Fall here.

- Clay Arsenault

01:53 - 02:02

Ok, so the first item we have is a motion to authorize virtual meetings and delegating to the supervisor, the Authority to cancel Town Board meetings.

- Clay Arsenault

02:03 - 02:12

As indicated, we are in extraordinary times and I wish to make sure that this meeting, in any future meeting that we wish to conduct by virtual means are fully authorized by the Town Board.

- Clay Arsenault

02:12 - 02:15

I therefore make the following motion in the form of a resolution.

- Clay Arsenault

02:16 - 02:36

Whereas the town Lord of the Long Lake Town of law like New York hereby finds that during the state of emergency, connected to the public health and safety concerns involving covert 19 pandemic that town board town employees officers need to find innovative ways to continue the functioning of town government in service of the People of the town of longleaf.

- Clay Arsenault

02:36 - 02:57

And whereas Town Law, section 63 and 64 provide, provide that, is the town board that may schedule and cancel meetings by resolutions, and whereas the town board may develop rules or procedures and protocols regarding meeting cancelations, and, whereas, there are times when the town board cannot convened to consider.

- Clay Arsenault

02:57 - 03:00

Canceling or altering the means of having a board meeting.

- Clay Arsenault

03:00 - 03:19

And, whereas the town board has considered the matter in view of the governor's executive order 202.1, continuing executive, executive order number 202, which declared a state of emergency, which temple at temporarily suspended article seven of the public officers law, known as open meetings law.

- Clay Arsenault

03:20 - 03:22

Now, therefore, be it resolved.

- Clay Arsenault

03:23 - 03:33

This means that this meeting of March 25th, 2020, being held by virtual meeting with a goto meeting, web based video conference platform, constitutes a lawful and valid town board meeting.

- Clay Arsenault

03:34 - 03:49

And that the supervisors here with authorized to cancel or substitute virtual meetings, meeting the criteria under the Executive Order Number 202.1 issued by Governor Cuomo on March 12, 2020, and maybe amended in the future.

- Clay Arsenault

03:49 - 04:01

And that any such meetings, shall be recorded, and transcribed that audio or audio slash visual access, shall be accorded to the public number three that the supervisor may call a special board meeting.

- Clay Arsenault

04:01 - 04:03

It, anytime by giving at least two days.

- Clay Arsenault

04:03 - 04:11

Notice in writing to the other board, members, the town clerk, and the public setting forth the time in place, or virtual meeting platform information.

- Clay Arsenault

04:12 - 04:16

The supervisor may do this on his own initiative, but he must do so within 10 days.

- Clay Arsenault

04:17 - 04:21

If requested in writing by two members of the board, do I have a second?

- craig

04:21 - 04:22

04:36 - 04:38

- Clay Arsenault

04:40 - 04:46

- Clay Arsenault

05:21 - 05:33

My bad warrants for the month of March And due to the crazy nature of the Times, and we've been missing some key personnel, It's taken a big effort to produce more.

- Clay Arsenault

05:33 - 05:37

And so I would certainly entertain a motion to approve or warrants for the month of March.

- Donna Pohl

05:38 - 05:39

I will make them, Marsha.

- Hillarie Logan-Dechene

05:40 - 05:40

Then, you know, following actions regarding the public health safety for the Corona virus outbreaks since March 13th, I've been in continuous contact with county personnel, including the Public Health Service, Chairman, Board of Supervisors.

- Clay Arsenault

06:19 - 06:23

On March 16th, I'd Alex post information on our website.

- Clay Arsenault

06:23 - 06:27

In response to the governor's request to the reduced to reduce the size of local government.

- Clay Arsenault

06:28 - 06:33

- Clay Arsenault

06:35 - 06:45

We have completed tearing down the properties that we bought at the cemetery property, the trailer in the house.

- Clay Arsenault

06:48 - 06:50

Dean, When was that the report a day.

- Clay Arsenault

06:50 - 07:01

And then Dean Poll, and I had the opportunity to meet with four representatives from National Grid, they are taking steps to address the frequency and duration of the power outages and Racket Lake.

- Clay Arsenault

07:02 - 07:06

National grid said the two main causes of power outages are down trees, an insulator failure.

- Clay Arsenault

07:07 - 07:13

A short-term plan is to cut more dangerous trees along the line and to identify any other trees which will need to be cut.

- Clay Arsenault

07:14 - 07:22

Second is the inspection of the line midway through the normal five year cycle, and the long term plan is for the installation of an energy storage device.

Essentially, backup batteries, to serve as backup during power outages.

- Clay Arsenault

07:38 - 07:42

Raised how long is the town required to continue monitoring landfill.

- Clay Arsenault

07:42 - 07:49

I spoke with Dale Becker of New York State, DEC, and the landfill must be monitored for for a minimum of 30 years.

- Clay Arsenault

07:50 - 07:54

The landfill was kept in 19 99, making this the 21st year of monitoring.

- Clay Arsenault

07:56 - 08:04

There's an article in your packets, also that Tim to shed, brought to our attention, regarding the creation of New York's First State Veterans Cemetery.

- Clay Arsenault

08:06 - 08:15

- Clay Arsenault

08:25 - 08:26

Maybe last week.

- Clay Arsenault

08:28 - 08:32

There are revenue and expenditure reports in your packets to review your review.

- Clay Arsenault

08:33 - 08:34

Next up is the agenda.

- Clay Arsenault

08:35 - 08:39

With item number one being a resolution authorizing a safety policy.

- Clay Arsenault

08:41 - 08:47

This policy is developed as a safety manual and to outline the roles and responsibilities of the town Supervisor, Department, heads.

- Clay Arsenault

08:47 - 08:52

Safety Committee employees and various other positions and I would entertain a motion to authorize this policy.

- craig

08:53 - 08:54

So, moved.

09:48 - 09:52

I would entertain a motion to accept this agreement, so.

10:18 - 10:22

Is there a little bit of a delay, you guys, between our talks, are we?

- CTF ALBANY

10:25 - 10:35

Your image seems a little bit going in and out a little bit, I don't know whether it's the two computers On your line, or?

- Clay Arsenault

10:37 - 10:44

It might be, OK, OK, so, on each other, do I think that's probably.

- Clay Arsenault

10:44 - 10:45

Part of the part of that?

- Clay Arsenault

10:53 - 10:54

Oh, OK.

- Clay Arsenault

10:54 - 10:54

Step, sorry.

- Clay Arsenault

10:55 - 10:59

So, you guys, I'd like to call a vote for the only notify alarms.

- Clay Arsenault

10:59 - 11:02

So I would entertain a motion to authorize this.

- Clay Arsenault

11:07 - 11:08

All in favor.

- Hillarie Logan-Dechene

11:09 - 11:09

All right.

- Clay Arsenault

Oppose resolution to authorize moni notify alarm.

- Clay Arsenault

11:16 - 11:17

Kerry.

- Clay Arsenault

11:18 - 11:25

Next up is the proposed local law, the gaming law.

- Clay Arsenault

11:27 - 11:40

These three you have the three local laws on the agenda tonight, is three proposed laws are nearly identical to the three laws passed last March, 2019, in which we're slated to be on the November 19, to 20 19 town election.

- Clay Arsenault

11:41 - 11:50

They didn't make it on the ballot and we have to reconsider them all over again, in order to put them on the palette of the voters, or as the statute calls us electors and the town of long they get final say.

- Clay Arsenault

11:51 - 11:52

And whether the law is go into effect.

- Clay Arsenault

11:53 - 12:06

I asked the town attorney after informal discussion with you to proceed with updating the drafting of the proposed local laws and he is available to answer any questions you have on the laws and the minor revisions made to the text.

- Clay Arsenault

12:07 - 12:14

So, the process or the process in enacting local laws is to first have a proposing board member provide you with a copy of the proposed local law.

- Clay Arsenault

12:14 - 12:21

You've been so provided with a text via e-mail, directly from the town attorney and a hard copy in your meetings folder.

- Clay Arsenault

12:21 - 12:25

I'm going to propose each of the local laws and read a summary statement about them.

- Clay Arsenault

12:25 - 12:30

The actual text of the proposed law will be in the town website tomorrow and be available at the town offices.

- Clay Arsenault

12:30 - 12:48

If any of the public wishes hardcopy they will be available in the vestibule at the town office, will then propose that the board vote on a resolution that ordered a public notice to be published in our official newspaper, the Glens Falls Pole star, and posted it in the usual places on the Town website.

- Clay Arsenault

12:48 - 12:56

The notices have been written to invite public comment at the next scheduled board meeting, also given the potential problem with in person meetings.

- Clay Arsenault

12:56 - 13:03

The notices have text that's specifically invites written comments and statements for and against each of the proposed local laws.

- Clay Arsenault

13:04 - 13:13

By written comment, we mean comments and either by mail or e-mail to me or to another e-mail that will be posted in the Notice on The Town website.

- Clay Arsenault

13:13 - 13:18

We're not using social media for comment, We want the comments by e-mail or letter addressed to the board.

- Clay Arsenault

13:20 - 13:24

My e-mail is already on the website in his supervisor at my long lake dot com.

- Clay Arsenault

13:25 - 13:29

Obviously the public may wish to contact any Board member to give their view ahead of the public hearing.

- Clay Arsenault

13:30 - 13:41

But the official record will have to be made to the of the written comments received by me if we can manage it directly for public via the goto Meeting platform or phone call, during the public hearing.

- Clay Arsenault

13:42 - 13:49

We will announce any procedures for that, for that as soon as we decide to have an in person meeting or virtual meeting for the April 29th Board.

- Clay Arsenault

13:52 - 14:11

Lastly, and this will be timely when the Board considers a matter of enacting proposed laws, I want to emphasize that each of these matters are subject to mandatory referendum, and want to adhere to schedule a schedule that gets all three matters propose and enacted subject to final if this under referendum by the next board meeting if possible.

- Clay Arsenault

14:12 - 14:19

So the community can have several months time to consider the matter and reach a decision by the time they are on the ballot this November 2020.

- Clay Arsenault

14:26 - 14:28

Page 1 Page 1.

- Clay Arsenault

14:28 - 14:39

Ok, so the first met this law is required by New York State in order for Raffles to legally be held in the town by various non-profit organizations.

- Clay Arsenault

14:40 - 14:45

We are tentatively calling this proposed local law number, 1 of 2020.

- Clay Arsenault

14:47 - 14:54

Propose local off in it, if enacted would be the town Board's determination that one, raising funds for promotion.

- Clay Arsenault

14:55 - 15:05

A bonafide, charitable, educational, scientific, health, religious, and patriotic causes an undertakings where the beneficiaries are under mind is in the under determined.

- Clay Arsenault

15:05 - 15:17

It is in the public interest into that the town Board should exercise its local option to adopt the local law, to allow gaming conducted in a manner consistent with the statutory scheme, under the general conducts.

- Clay Arsenault

15:18 - 15:33

The General Municipal law, Article nine: A, in the measures to prevent commercialized gambling, prevent participation by criminal and other undesirable elements, and prevent the diversion diversion of funds from from the authorized public interest purposes.

- Clay Arsenault

15:35 - 15:39

Again, the local law provides for a mandatory public referendum in November.

- Clay Arsenault

15:40 - 15:46

Please refer to the proposed motion, establishing the hearing, and ordering the publication, and posting of the public hearing.

- Clay Arsenault

15:46 - 15:52

Notice that you have been provided with, entitled to the purpose and intent.

- Clay Arsenault

15:53 - 16:00

- Clay Arsenault

16:58 - 17:07

The full text of the proposed local law be made available for review of the Town Clerks Office during regular business hours, and on the town's website.

- Clay Arsenault

17:10 - 17:23

I would move to set a public hearing for the proposed local law at the next regular regular board meeting on April 29, 2019, and a notice be published for the saying, can I have a second?

- Donna Pohl

17:24 - 17:25

- Clay Arsenault

21:19 - 21:21

This is a law we've been discussing for awhile.

Now, what it would do is designate each seat on the town council, A, B C, D.

- Clay Arsenault

21:25 - 21:33

Then when running for town council in an election, the candidates would have to declare which they were running for, rather than at the two highest vote getters be the winners.

For each of the four town board member positions, the town board member positions will be known as town board position, A town board position, the town board position see, town board position D, So, the candidates for Open Town Board positions would have to declare their intention to run for one and only one such on board position.

- Clay Arsenault

- CTF ALBANY

The actual text.

- Clay Arsenault

22:51 - 22:52

- CTF ALBANY

- CTF ALBANY

- CTF ALBANY

23:04 - 23:06
