- Clay Arsenault

01:00 - 01:07
Last month's meeting was conducted as a virtual meeting allowing only voice participating by the public through goto Meeting.

- Clay Arsenault

01:08 - 01:17
This meeting is allowing voice and audio visual contact by the public in order to conduct the public hearing, previously scheduled for this evening.

- Clay Arsenault

01:19 - 01:27
Before we mute their microphones of any of the public and proceed to the business of this meeting, I would like to give those callers an option to identify themselves.

- Clay Arsenault

01:28 - 01:33

Do we have any public members on the call who wish to identify, identify themselves to the board?

- Clay Arsenault

01:37 - 01:38

Ok, thank you.

- Clay Arsenault

01:39 - 01:42

Alex, please mute the telephone callers from the public.

- Clay Arsenault

01:48 - 01:55

I think since we are not gathering within proximity to our flag, we will sadly have to dispense with the pledge of allegiance and the opening prayer.

- Clay Arsenault

01:57 - 01:59

Dixie, Lee, would you please do the roll call?

- Dixie LeBlanc

02:00 - 02:03

Yes, pastureland to shape.

- Richard Dechene

02:03 - 02:03

Here.

- Dixie LeBlanc

02:05 - 02:07

Canceling call.

- Dixie LeBlanc

02:10 - 02:12

Supervisor are saying no.

- Clay Arsenault

02:14 - 02:14

Here.

- Dixie LeBlanc

02:15 - 02:16
Thomas Sowell.

- Tom Donnelly

02:17 - 02:18
Yep.

- Dixie LeBlanc

02:20 - 02:21
Councilmen correct statement.

- Craig Seaman

02:23 - 02:23
Air.

- Clay Arsenault

02:27 - 02:31
Ok, next up on the agenda is, we're going to open the public hearings.

- Clay Arsenault

02:33 - 02:39
Pursuant to the Board's resolution, resolutions, and action at our last meeting of March 25th.

- Clay Arsenault

02:39 - 02:51
Notices, a public hearing were posted within the town and published in the Town Officials the town's official newspaper, the Glens Falls Post star on April eight in April 25th.

- Clay Arsenault

02:52 - 03:00
Thus, I request town attorney Carl ..., to introduce the matters to be considered at this evening's public hearings.

- Clay Arsenault

03:00 - 03:01

Carl?

- Town Attorney Ferrentino

03:02 - 03:03

Yes.

- Town Attorney Ferrentino

03:03 - 03:07

So, we have a scheduled feed.

- Town Attorney Ferrentino

03:09 - 03:28

Scheduled at the last Board meeting was the public hearing on the three local laws, which you have been sent, um, and they are virtually identical to the ones that were passed last year.

- Town Attorney Ferrentino

03:28 - 03:33

But did not make it onto the ballot in November of 2019.

- Town Attorney Ferrentino

03:34 - 03:58

There were sort of text changes, because principally to the one that's we're calling propose local law three, which extended terms, We originally had drafted that to be effective at that election so that the races that there would have been affected by the term extension.

- Town Attorney Ferrentino

03:59 - 04:22

The Since we're doing this year and anon, election year, uh, if the term extensions were approved by the Board and by the public at the referendum in November, it would not affect the race's until the municipal election of 20 21.

- Town Attorney Ferrentino

04:23 - 04:36

So that had to be drafted with respect to that local law, that propose local law, The supervisor indicated to me that he had received an inquiry as to whether local law three, if.

- Town Attorney Ferrentino

04:36 - 04:39

It was approved, would change.

- Richard Dechene

04:40 - 04:40

The.

- Town Attorney Ferrentino

04:40 - 04:44

Existing terms of the existing highway superintendent or the existing supervisor.

- Town Attorney Ferrentino

04:47 - 04:49

And I gave the answer my opinion.

- Town Attorney Ferrentino

04:51 - 05:11

Not that that would not be a proper reading of the law, but I did put it in additional footnote in the final text, which I gave you yesterday, to make that crystal clear, it doesn't change any of the impact of the law, So I don't think we need to.

- Town Attorney Ferrentino

05:11 - 05:14

We notice it and go through the whole process again.

- Town Attorney Ferrentino

05:15 - 05:23

The only other changes I made an issue that's three local laws was to correct calendar day care.

- Town Attorney Ferrentino

05:23 - 05:29

I had made early on by thinking that Election Day was November 10th of this year.

- Town Attorney Ferrentino

05:29 - 05:46

It is November third, so all three laws were changed, too, Make that correction that, other than that, they are identical to the proposed laws, Say, chew, put up for a hearing at last month's meeting.

- Richard Dechene

05:49 - 05:50

Hmm, we.

- Town Attorney Ferrentino

05:50 - 05:58

Are able to conduct this public hearing not that I see any members of the public being present.

- Town Attorney Ferrentino

06:00 - 06:15

Pursuant to an amendment to the executive orders that the Governors issued, I had written to the Department of State to get a clarification, and I must have been one of a couple of bad attorneys who did so.

- Town Attorney Ferrentino

06:15 - 06:28

So, within a couple of days, the Governor amended his executive orders to allow virtual public meetings with virtual public hearings to them.

- Town Attorney Ferrentino

06:28 - 06:31

So this is a legitimate public hearing.

- Town Attorney Ferrentino

06:31 - 06:38

There we're about to open, even though we're missing the personal contact.

- Town Attorney Ferrentino

06:41 - 06:45

Still, fundamentally, the citizens would have an opportunity to address you with any.

- Town Attorney Ferrentino

06:46 - 06:53

Other thing I want to draw out from any of the board members, is if you have any questions that I can answer about the text.

- Town Attorney Ferrentino

06:53 - 06:56

Or if you received any citizen inquiries.

- Town Attorney Ferrentino

06:57 - 07:01

Uh, I think we would like to get those on the record, as well.

- Town Attorney Ferrentino

07:03 - 07:07

Or I turn it over back over to the supervisor to open up the hearing.

- Clay Arsenault

07:10 - 07:12

We have had no written response.

- Town Attorney Ferrentino

07:15 - 07:19

And board members have not received any specific comments from people.

- Richard Dechene

07:21 - 07:22

I haven't.

- Dean Pohl

07:23 - 07:23

Ok.

- Town Attorney Ferrentino

07:25 - 07:26

Ok, well, that makes.

- Town Attorney Ferrentino

07:29 - 07:31

Will make for a shorter hearing, ...

- Town Attorney Ferrentino

07:31 - 07:33

And ..., or any other questions.

- Town Attorney Ferrentino

07:37 - 07:38

Ok.

- Clay Arsenault

07:39 - 07:43

Ok, Alex, would you please unmute the public?

- Alexandra Roalsvig

07:52 - 07:54

All right, that's me, I think Amber?

- Alexandra Roalsvig

07:55 - 08:10

Amber just got in and said her link was not working, so I'm gonna go over to the website and just double check and make sure that Lincoln correct over there, because she said she tried to get him that well, so I'm the only, There's no one other than her here.

- Clay Arsenault

08:10 - 08:12

Ok, so.

- Town Attorney Ferrentino

08:13 - 08:18

Oh, so you're saying that the data, who do we get a different length and the public that?

- Alexandra Roalsvig

08:18 - 08:19

- Town Attorney Ferrentino

08:20 - 08:21

- Alexandra Roalsvig

08:21 - 08:22

- Alexandra Roalsvig

08:23 - 08:23

- Alexandra Roalsvig

08:24 - 08:28

- Clay Arsenault

08:28 - 08:28

- Alexandra Roalsvig

08:28 - 08:29

- Clay Arsenault

08:29 - 08:30

You showing up on my screen.

- Craig Seaman

08:31 - 08:33

She shows up, but she's muted on mine.

- Clay Arsenault

08:34 - 08:34

Yup.

- Alexandra Roalsvig

08:34 - 08:40

Scheveningen, I'm just worried about if people from the public are having problems logging in, so let me go through another browser.

- Alexandra Roalsvig

08:40 - 08:41

I apologize for that.

- Clay Arsenault

08:42 - 08:45

Ok, we give it a couple of minutes.

- Town Attorney Ferrentino

08:46 - 08:49

Yeah, this is pretty critical that the public can't have access.

- Alexandra Roalsvig
08:49 - 08:50
Like, let me just say.
- Amber W.
08:53 - 08:54

- Alexandra Roalsvig
09:00 - 09:02
Right, let me OK.
- Clay Arsenault
09:03 - 09:04

- Town Attorney Ferrentino
09:06 - 09:06

- Amber W.
09:06 - 09:09

- Alexandra Roalsvig
09:10 - 09:12

Well, it's the same link, it's just like one media.

- Amber W.

09:12 - 09:13

End.

- Alexandra Roalsvig

09:14 - 09:17

- Richard Dechene

13:33 - 13:35
Is there a way to test?

- Richard Dechene

13:36 - 13:36
When we.

- Alexandra Roalsvig

13:38 - 13:41
Tested it before, and like, it didn't work the first time.

- Alexandra Roalsvig

13:41 - 13:46

- Richard Dechene

13:47 - 13:47

I don't know.

- Alexandra Roalsvig

13:47 - 13:52

[speaker unknown]:

13:56 - 13:57

No?

- Alexandra Roalsvig

14:00 - 14:04

Or you can send me the power?

- Craig Seaman

14:10 - 14:12

Oh, don't say that.

- Clay Arsenault

14:13 - 14:14

- Richard Dechene

14:14 - 14:14

Can we.

- Clay Arsenault

14:14 - 14:15

- Clay Arsenault

14:16 - 14:16

All?

- Clay Arsenault

14:16 - 14:17

No.

- Clay Arsenault

14:17 - 14:18

Come.

- Town Attorney Ferrentino

14:22 - 14:26

Well, you I did some contingency planning.

- Town Attorney Ferrentino

14:29 - 14:39

If for some reason because of power or something we could, we could just theme the meeting automatically recess them, try to get a notice out if we have to do it another day.

- Clay Arsenault

14:40 - 14:41

Ok.

- Town Attorney Ferrentino

14:41 - 14:44

Indexing, what do we have to do for that?

- Town Attorney Ferrentino

14:44 - 14:50

I mean, that we can I would say it was the same meeting if we have to delay another day or something.

- Town Attorney Ferrentino

14:53 - 15:07

If you lose power, the issue is if, if we lose the technical capability to have this virtual meeting, can we pick it up tomorrow as a recess meeting?

- Dixie LeBlanc

15:12 - 15:13

Sure.

- Dixie LeBlanc

15:15 - 15:15

Yes.

- Dixie LeBlanc

15:20 - 15:22

This is unusual circumstance.

- Town Attorney Ferrentino

15:22 - 15:25

Yeah, I mean, I think the question would be real notice.

- Town Attorney Ferrentino

15:25 - 15:30

So I would say if we, if you feel like you're, you're going dark, they're out there.

- Richard Dechene

15:32 - 15:32

On.

- Town Attorney Ferrentino

15:33 - 15:35

- Alexandra Roalsvig

- Alexandra Roalsvig

17:07 - 17:07

- Richard Dechene

- Town Attorney Ferrentino

17:47 - 17:52

That's what I was saying, is these I can give you an opinion.

- Town Attorney Ferrentino

17:54 - 17:57

That we just had to read if we.

- Richard Dechene

24:15 - 24:17

She's in these meetings all day long every day.

- Craig Seaman

24:22 - 24:24

Have you seen a video making fun of these meetings?

- Craig Seaman

24:24 - 24:24

So?

- Craig Seaman

24:26 - 24:32

They show them, sit around a table, and all the things that can go wrong with the goto Meeting or Zoom?

- Craig Seaman

24:33 - 24:34

It's comical!

- Dixie LeBlanc

24:37 - 24:38

Ok.

- Town Attorney Ferrentino

24:39 - 24:44

And my son works for a high-tech company, and he says, You know, 80, consume so much time.

24:46 - 24:48

Mapping projects.

- Clay Arsenault

24:52 - 24:54

25:04 - 25:07

- Clay Arsenault

25:12 - 25:13

- Dean Pohl

28:48 - 28:49

- Richard Dechene

28:50 - 28:51

- Town Attorney Ferrentino

28:51 - 28:52
