- Clay Arsenault

03:44 - 03:49

Also Memorial Day Parade here and the County Memorial Day Parade in the inlet were canceled this year.

- Clay Arsenault

03:49 - 03:57

I would like to thank the American Legion, Post 650 for their hard work and organizing a ceremony at the cemetery.

- Clay Arsenault

03:57 - 04:00

Due to the limits placed on the size of the gatherings us, your 10 or fewer.

- Clay Arsenault

04:00 - 04:03

This ceremony could not be open to the general public.

- Clay Arsenault

04:05 - 04:08

Next up was the quilt camp which we had to cancel this year.

- Clay Arsenault

04:08 - 04:19

That decision was made when I Alex and I had a meeting with the school, and they didn't offer us the use of that building for the year due to the coronavirus pandemic.

- Clay Arsenault

04:19 - 04:20

So there's that.

- Clay Arsenault

04:21 - 04:29

Next up, as I'm sure everybody knows most of this, but I was just going to hit on a few things, the governor's re-opening plan in phases.

- Clay Arsenault

04:30 - 04:36

States that even in Phase two of the region must not open attractions, are businesses that withdraw a large number of visitors from outside the area.

- Clay Arsenault

04:37 - 04:44

We would not be able to hold our events until phase three. Basically, the purpose of all our events is to draw on as many visitors as we can.

- Clay Arsenault

04:45 - 04:51

We are currently in Phase one, which allows construction, agriculture, forestry, fishing, hunting, retail.

- Clay Arsenault

04:54 - 04:57

Did the curbside or in-store pickup or drop-off.

- Clay Arsenault

04:57 - 05:05

Um, Phase two, professional services, retail, administrative support, real estate, rental and leasing are allowed to open.

- Clay Arsenault

05:06 - 05:08

Phase three as restaurant's food services.

- Clay Arsenault

05:08 - 05:13

For Phase four is entertainment, recreation, education, are all allowed open.

- Clay Arsenault

05:14 - 05:24

Um, from the New York State Economic Development Corp website municipal government operations should practice physical distancing and telecommuting as much as possible.

- Clay Arsenault

05:24 - 05:26

However, it is up to the individual municipality.

- Clay Arsenault

05:26 - 05:34

How they determine which functions are essential all governments are operating at a maximum of 50% in person workforce presence.

- Clay Arsenault

05:37 - 05:51

Fyi, Alex recently received guidance for opening, the beaches, which they were e-mailed to you and the highlights of the regulations are included in your packet, which are Very lengthy, So thanks the Lord, she.

- Clay Arsenault

05:52 - 05:53

She went through all that for us.

- Clay Arsenault

05:56 - 06:08

And another FYI is we got a response letter from the Adirondack experience regarding their decision to not open this year and our letter that we sent to them regarding that.

- Clay Arsenault

06:09 - 06:32

Um, I delivered hand sanitizer or to, most, if not all of the local restaurants and hotels for them to use and businesses in general, in Long Lake and Racket Lake, I still have, I'm waiting on a small delivery to bring over to Racket Lake to leave at the highway garage so that we can tell any businesses who missed out on it.

- Clay Arsenault

06:33 - 06:36

That Wayne at the highway grudge will have a little stockpile there.

- Clay Arsenault

06:36 - 06:41

So I'm just waiting to get that from the Hamilton County public health, Um.

- Clay Arsenault

06:44 - 06:47

Revenue and expenditure reports are in your packets to review.

- Clay Arsenault

06:51 - 06:53

So first, stop on the agenda.

- Clay Arsenault

- Clay Arsenault

- Clay Arsenault

07:51 - 08:00

I have talked to all, but Dean recently, I tried to get a, hold it in this afternoon, we're playing phone tag, so they all essentially know what's going on at this point.

- Town Attorney Ferrentino

08:01 - 08:07

Ok, great, I just want the board to be, you know, fully priced and chip, the present, too.

- Clay Arsenault

17:48 - 18:02

This is Hilary ..., Deputy director of the Center, and I just wanted to report in that long Lake was used as a high standard for social media in a recent report that we gave to our staff and our board.

- Richard Dechene

18:04 - 18:05

Social media.

- Richard Dechene

18:08 - 18:08

Social media.

- Richard Dechene

18:10 - 18:11

Social media.

- Richard Dechene

18:20 - 18:27

Um, the social media posts that Alex is doing and her team is doing our rating.

- Richard Dechene

18:27 - 18:28

I don't know if you guys are aware of this document.

- Richard Dechene

18:29 - 18:36

I have professionals, including a professional firm out of Rochester and New York.

- Richard Dechene

18:36 - 18:44

And everything else in the social media that long link is doing is rating higher, in terms of engagement than all the regional.

- Richard Dechene

18:45 - 18:55

Social media including Roost, including visit Adirondacks, including some of the really large attractions.

- Richard Dechene

18:55 - 19:00

Including things like large museums elsewhere.

- Richard Dechene

19:01 - 19:04

In terms of people spending time on this site.

- Richard Dechene

19:05 - 19:13

The long link site and the posts that Alex is putting out, is, is way above industry standards and averages.

- Richard Dechene

19:13 - 19:28

And that simply means that people are coming to Long Lakes website and engaging with long legs, social media, and its marketing, at a much higher rate in front of a much longer amount of time than they are anywhere else.

- Richard Dechene

19:28 - 19:34

Regionally, I'm in the whole north, east and in my industry.

- Richard Dechene

19:34 - 19:46

So, I just wanted you to know how great she is and how proud I am to have her working for our town and for our region because when my like, our whole region drives.

19:55 - 19:59

So, kudos to you guys for supporting those efforts.

- Richard Dechene

19:59 - 20:00

And kudos to Alex.

- Richard Dechene

20:00 - 20:13

- Richard Dechene

20:13 - 20:16

He's taken by she, takes them back.

- Richard Dechene

20:18 - 20:21

- Richard Dechene

20:25 - 20:26

I'm sure that if we had got a list from racquet Lake that included, Maybe 70 individuals, that they would probably consider going to ...
